

MISSION MINUTE

NEW VALLEY CHURCH

In April, several volunteers from Village spent a Saturday at New Valley Church in Waynesboro, VA working on improving their kids ministry space. Volunteers spent the day framing up interior walls, paneling them, and installing some doors. That work helped create a better environment for their kids ministry in order that more and more families can be disciplined that the Gospel continue to go forward. Volunteers worked hard all day long but it was certainly rewarding to leave seeing that they had aided New Valley in their mission to see as many lives as possible transformed by the Gospel.

Volunteers framed up 3 classrooms in their New Valley Kids area.

Why New Valley?

New Valley Church exists to worship God by seeing as many people as possible transformed by the Gospel. Their vision is to see the people of Waynesboro and Augusta County living for the sake of the Gospel. In 2019, after spending several years at Village, we sent KJ Washington out to plant New Valley Church. We were excited to be able to come alongside New Valley to aid the in their mission on that day and look forward to serving them in the future.

Village Volunteers in Action

The team got a ton of work done in one day!

You Can Get Involved!

There are Community Groups and individuals doing these types of outreach events pretty regularly throughout the year. One first step for you to get involved in this is to join a Community Group. From there you can learn more about the opportunities we have to serve our neighborhoods and communities to continue to advance the gospel of Jesus Christ! You can also visit Village Church Online (VCO) and join the “Outreach Opportunities” group to stay up to date on upcoming events. We’d love to have you join us as we seek to make Jesus known through word and deed.

New Valley treated the crew to lunch with some local pizza. Good time of fellowship and fueling up for the afternoon.

Door goes in as the final touch for the day.
